## PRO POOL SERIES

ITEM # F - ADMRL

U.S. Patent No. D507,769S

### ABOUT

The ADA Compliant, UL Certified, Admiral™ is an incredibly strong and durable lift. The Admiral™ features a unique, non-rotating design that is for use on in-ground pools and spas. It does not stand too tall and has a very small footprint. This makes it an incredibly solid, durable, and reliable product that blends in with almost any décor.

The 450-pound (204 kg) weight capacity of this lift provides pool access to an even greater number of swimmers. The adjustable seat height also makes this lift easier to transfer for people in taller wheelchairs.

### FEATURES:

- ADA compliant and UL safety certified
- 450 LB weight capacity
- Stable, non-rotating design
- Adjustable seat height
- Field reversible
- Stainless steel construction with powder coat finish
- Limited five (5) year warranty
- Made in USA

### ACCENT COLORS
