ABOUT

The ADA Compliant, UL Certified, Mighty Voyager lift is an affordable portable lift that provides access to in-ground and some partially raised pools and spas with curbs or walls up to 10-inches high. The large 15-inch square opening in the ballast cover allows for easy filling and removal of the sand counter-weight through use of a vacuum or bucket if necessary. This lift comes complete with an ADA fixing anchor to meet U.S. Federal ADA regulations.
