

THE SCOUT EXCEL

THE ROTATIONAL SERIES

ITEM # F-SCTXL

U.S. Patent No. D507,769S

ABOUT

The Scout Excel pool lift is an ideal choice for in-ground and partially raised pools and spas. The improved design of this lift incorporates a whisper quiet rotation base with the robust lifting design of its predecessor, the Scout 2. This rotation base gives you more freedom to set the lift further back from the edge of your pool in order to accommodate wider perimeter gutters or spa benches.

Combined with the adjustable seat height and the full 360° rotation in either direction, the Scout Excel allows you to clear short curbs or walls up to 26-inches high. The Scout Excel accomplishes all of this while providing a clean, sleek new look.

FEATURES:

- ADA compliant & UL safety certified
- 375 LB weight capacity
- Whisper quiet, 360 degree rotation
- Adjustable seat height
- Direct drive rotation
- Stainless steel construction with powder coat finish
- Limited five (5) year warranty
- Made in USA

ACCENT COLORS

Available in a variety of accent and powder coat colors

*Blue seat standard (not a powder coat option)
